Dear Parents/Carers

Cooking contributions

As part of our ongoing provision, we provide regular opportunities for the children to try new foods and develop their cooking skills. We encourage the children to look at recipes, grow their own vegetables and plan their own food tasting, food preparation and cooking activities. We believe that by providing these opportunities regularly within the classroom, the children are able to develop multiple skills, particularly reading, writing, maths and communication and language.

To make these activities viable we are asking for a voluntary contribution of £2.50 per child, per term. This contribution will go towards the cost of the ingredients and can either be paid termly or £7.50 for the whole school year. Please hand contributions into the office in a named envelope.

We would also like to take this opportunity to thank you for your ongoing support during your child's transition into Hilltop Infant School. If you have any questions, please do not hesitate to ask.

Kind regards,

Mrs Boroughs, Miss Kennedy and Mrs Ready.
