Dear Parents and Guardians,

Maple Class

As you know it is with sad regret that we will be saying farewell to Mrs Jackson. We would like to wish her all the best in the future and leaves behind many happy memories with the staff and children.

I am very excited to tell you that Maple class will be taught by a new addition to our staff from January. Jane O'Connor, an experienced teacher, is currently packing her bags in preparation to move to England over the festive period from her home in Australia.

Ms O'Connor has taught for several years in Australia across the whole Infant school age range and earlier this year completed supply work whilst living in England.

We will of course be supporting Ms O'Connor through her induction into the school, including extra support from the HEARTS Director of Learning and Lead Practitioners to help her transition to the high expectations held at our school.

She is very keen to meet all the children and become part of the Hilltop family where I am sure we will all make her very welcome.

If you have any queries please do not hesitate to contact me.

Mr. Chapman
