

Dear Parents / Carers,

This week we said farewell to Ms. Skipper as she embarks on a new and exciting adventure. She is moving house as well as starting a new job and we wish her every success and send her our best wishes.

Ms. Skipper has worked at Stambridge Primary for ten years and has touched the lives of many children, during her time here. The children have told us about many special memories they have had whilst working with her and will miss her very much.

On Wednesday, we held a special assembly for the children and staff to say goodbye and a few of our Year 6 children presented her with cards and a gift. Although Ms. Skipper was sad to leave Stambridge after so many years, she is also excited for her future. She was extremely grateful for the cards and gifts some of you sent in and I am sure many of you would like to join us in wishing her well.

Have a good weekend.

From time to time, we come across good causes, which in the face of an every-changing world do amazing things for vulnerable people. One of these is the Teenage Cancer Trust - why not look them up?

Missing Ties and Socks

Quite a few children have not been wearing ties recently and/or have forgotten to bring in their purple socks.

The office has issued quite a few spare ties and socks to children; unfortunately they have not been returned.

If your child has borrowed extra socks or ties, or you have any unwanted spares at home, please return them as soon as possible. It is important that children come to school correctly dressed and well presented.

Due to many special events this half-term there will be no sharing assemblies.

Parents will be welcome to attend Sports Day, EYFS Graduation, Open Afternoon, Leaver's Assembly and the Summer Production.
