

Number facts challenge

How to be a star in the number facts challenge

- To get a sticker for number bonds of 4 you need to be able to say all the pairs of numbers that you can add up to make 4 (You will need to use the vocabulary “add” and “plus”)
 $0 + 4, 1 + 3, 2 + 2, 3 + 1, 4 + 0.$

- To get a sticker for subtraction in the 4 row you need to be able to answer these questions really quickly. (You will need to use the vocabulary “subtract”, “minus” and “take away”)
 $4 - 0, 4 - 1, 4 - 2, 4 - 3, 4 - 4.$

When you have 2 stickers in a row you will get a gold star. When you have 3 gold stars you will have a special wristband to wear. When you have 6 gold stars you will get another wristband. Once you have all your gold stars, you will get the final wristband. Class teachers will assess this at the end of each month and this is when stickers, stars and bands will be awarded.

Keep practising!
