

Reception Class

Week beginning: 9th October 2017

Topic Work

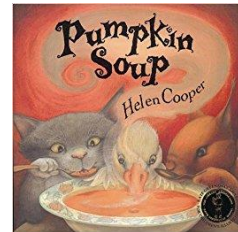

This week we will be exploring all things autumnal! We will also be looking at pumpkins and examining them.

If you spot any signs of Autumn, please upload pictures to Tapestry.

Reading and ERR

The story this week is
'Pumpkin Soup

In ERR this week, we will be learning l, h, u, c, b.
Please keep practising with the robot.

Keep practising writing your name at home.

Maths

This week we are focusing on counting.
We will be counting lots of different things including our friends, our toys, cubes and our actions.

We will be finding one more and one less

We will also be learning to separating sets of 3, 5 and 10 and recognising that the amount stays the same.

Can you practise counting at home in different ways?
Please share these on Tapestry so that we can see.

Reminders and requests

Please remember to bring in PE kits and long hair should be tied back. Please make sure you are practising changing clothes at home so that the children become independent.

Please remember that the toys and equipment in our outside area are not to be played with before or after school.

This week's Forest School groups are:
Chestnut A
Cherry B
Oak B
