

Homework Project for Year 1 Spring Term 2018

We have an exciting project for your child to complete over the next few weeks. This will be in preparation for our Special History Day, which will be in school on Monday 12th March.

You may want to do this homework in half term or you may prefer to work on it over the next few weeks.

Choose a famous person from the past that you are interested in. Find out lots of exciting information about your famous person such as when and where your person lived and what they are most famous for.

You could look in books, visit the library, ask friends or family or look on the internet. Make sure you follow our internet safety rules if you are using the internet at home. Finding out information is something we are learning about in Year 1.

When you have found your information, choose a way to share what you have found out with your class. Some ideas might be to make a poster about the famous person, draw a timeline of their life, write about them, draw a set of pictures to show why they are famous, prepare a short talk or prepare information to show on the computer. You could even dress up as that person on our History Day, Monday 12th March, when we share our projects if you want to. We don't mind which way you share your information so choose a way you will enjoy.

If you any questions, please talk to your child's class teacher.
Have fun and get researching!

Mrs Lee, Miss Wood and Ms O'Connor
